G. A. R. ENCAMPMENT

THIRTY-SECOND ENCAMPMENT OF CIVIL WAR VETERANS BEGINS NEXT WEEK

The 32nd annual encampment of the Southern California Veteran Associations will be held at Arbormar, Huntington Beach, with Jason J. Shepard Post, G. A. R., July 28th, to August 9th. All honorably discharged soldiers, sailors and marines of the Civil War, Spanish-American or Mexican War, their sons and grandsons are invited, also members of the Women's Relief Corps, Ladies of the G. A. R., wives and daughters of veterans, are invited to attend. More than that, Commander T. M. Barrett of N. P. Banks Post, G. A. R., extends a cordial invitation to all Allied World War veterans of Glendale and vicinity to be present. This will be a ten days' outing on the beach and in camp, where all can enjoy the pleasures of outdoor life and the delightful entertainments each evening in the large auditorium, free to all. Those who go for a few days or the entire time should have their mail addressed to Camp Jason J. Shepard, Huntington Beach, Calif. The program for the Encampment for the entire session is as follows:

Tuesday, July 29—Usual camp opening. Evening Reception. Address of Welcome. Response by Commander T. M. Barrett.

Wednesday, July 30—9 a. m., Flag Raising with appropriate exercises. Evening Entertainment, Camp Fire. "Be sure you tell it straight."

Thursday, July 31.—10 a. m., Reunion by States. 2 p. m., Fat folks and funny folks, look out. Evening Entertainment, Jessie Benton, Fremont Tent No. 4.

Friday, Aug. 1.—2 p. m., Ex-prisoners of War and Army Nurses will hold their usual exercises. Evening entertainment by Bartlette Logan Post and Corps.

Saturday, August 2.—10 a. m., Slaughter of Pigs, Mary Dunning, Chief Butcher, "No Squeal." 2 p. m., Children's Exercises in charge of May Watson, Sadie Green and Cora Byrum. Evening Entertainment by Whittier Post and Corps.

Sunday, Aug. 3.—Memorial Exercises. Sermon by Chaplain Rev. C. R. Norton. 4 p. m., Dress Parade. Evening, Sacred and Patriotic Concert. Singing by G. A. R. Glee Club under the direction of W. E. Herendeen. Harry Neville, pianist.

Monday, August 4—10 a. m., Court-martial to vindicate all unconscientious objectors. 2 p. m., Columbia Circle, Ladies of the G. A. R.

Tuesday, Aug. 5.—Camp under Petticoat Government. Beans at noon. 4 p. m., Dress Parade. Bring your kimonos, red socks, face powder and last year's whiskers. Evening is pay night. Don't miss this. If you do you'll wish you hadn't. We need you and your money also.

Wednesday, Aug. 6—10 a. m., Election of State Officers. 3 p. m., Prize Dance. Can you beat it? Evening entertainment by Santa Ana Daughters of Veterans.

Thursday, Aug. 7th—10 a. m., Election of Association Officers. 2 p. m., Election of Auxiliary Officers. Evening, Installation of Officers.

Friday, Aug. 8th—Break Camp. Good-bye till we meet again.

All evening entertainments must begin promptly at seven o'clock.

GETS FLYING LICENSE

CHARLES POTTER'S ABILITY AS AVIATOR RECOGNIZED BY GOVERNMENT

The Washington office of the Bureau of Aircraft Production of the War Department reports to the Evening News that the Joint Army and Navy Board on Aeronautic Cognizance has recently issued to Charles M. Potter of Glendale a Civilian Flying License. Charles made good in the aviation section of the army during the war and he is loath to give up flying now that the war is over.

MAKING GOOD AS STATE SECRETARY

One of the hardest working little women in Glendale is Mrs. R. M. Jackson, State Secretary of C. W. B. M. work for the Christian Missionary Society of Southern California. When Mrs. G. M. Anderson, wife of the popular pastor of the Alhambra Church, was promoted from the State Secretaryship to a responsible position in the School of Missions in Indianapolis, Mrs. Jackson was prevailed upon to take up her work in Southern California and she has done it perfectly. At this time of the year on the eve of the annual meeting at Long Beach the work of tabulating the many reports is very heavy, requiring many hours of night work.

TRADE CO-OPERATION

BAKERS WORK TOGETHER FOR GOOD OF THEIR BUSINESS AND BENEFIT OF PUBLIC

In obedience to the general order sent out by the Glendale Health officer in regard to refraining from the use of hydrant water for drinking during a five-day period beginning Friday, July 25th, during which the city pipes and reservoirs are to be cleansed, the bakers of Glendale, who use quantities of water in connection with their business, decided to close down their plants during the last three days of the period owing to their inability to store sufficient quantities of pure water. They will make a pleasure of necessity and utilize the time for vacation outings.

This is not the only evidence of co-operation among the men of this craft. Los Angeles has a very flourishing association of manufacturing bakers who have incorporated themselves for the purpose of buying supplies in carload lots and thus securing a larger margin for profit than would be possible if each bought independently at jobbers' prices. They are also organized for the purpose of studying the best trade methods and it is gradually leading up to a standardization of this industry which benefits both producer and consumer. Henry Walsma of the Broadway Bakery, is one of the members of the Association and in spite of the long hours he devotes to his business,—getting up at 4 a. m. and closing his shop at 7 p. m., he feels that he cannot afford to miss one of the meetings of the Association, which convenes every Wednesday evening.

HELP FREELY OFFERED

Such emergencies as confront the people of Glendale for a few days in the necessary cleaning out of the water reservoir and consequent inconvenience suffered by all users, serves to bring out fine traits in some of us. All can be patient and considerate during the brief annoyance occasioned, and some can stretch forth a helping hand. Examples of the latter are presented by the Henry-Brown Company, who offer to supply all unable to purchase pure water with supplies free and Mr. Halliwell of 543 West Broadway who urges all needing water during the days of drouth to draw freely from his wells at no cost.

GET BUSY, GENTLEMEN

The editor of the Evening News feels entirely satisfied that the sewage of Glendale can be taken care of by means of a septic purifying plant, but there are people who are unfamiliar with this method of handling sewage, and it is therefore up to the Glendale Anti-Annexation Association to demonstrate that this modern method of caring for sewage is a success in cities of greater population than Glendale.

RETURN OF MRS. CLARA MOORE

Friends of Mrs. Clara Moore will be glad to learn that she is here for a two weeks' visit at her old home, 404 West Harvard street, which is occupied by her daughter, Mrs. L. D. Goode. Mrs. Moore, it will be remembered, was called away last January to the home of her son in Richmond, Cal., whose wife died of influenza, leaving three babies of which Mrs. Moore assumed the care. This is her first return since she went north. While here she will endeavor to dispose of her home.

"BUSINESS AS USUAL"

Mrs. John Todd says that life has resumed its uneventful, accustomed way quite as though there had not come a call to arms to which her two sons responded, but even yet she cannot get over the wonder that they were returned to her without a scratch and without having suffered a day's illness. Ray is at work in the Los Angeles postoffice. George is assisting his father with the auto truck.

LIEUTENANT AT PLAYGROUND

Loys Griswold, son of Mr. and Mrs. Myron Griswold, of 1612 S. Brand Boulevard, has a position as Lieutenant of the playground at Alhambra for the summer vacation season. It is a position of responsibility and his ability to fill it is highly creditable to him. He will be a Senior in Glendale High next year.

Mrs. Clifford Cole and Connor will arrive from Asilomar tomorrow and Rev. Cole will be home a week later, as he goes to Santa Cruz to attend the Northern California State Convention of Christian Churches.

FIRE IN RIVERSIDE CANNERY

LOSS FIGURED AT $70,000 AND INCENDIARISM IS STRONGLY SUSPECTED

(Special Service to Glendale Evening News)

RIVERSIDE, Cal., July 24.—A fire of mysterious origin today destroyed two-thirds of the Arlington cannery, a quantity of machinery, and much fruit. The loss is figured at $70,000. Incendiarism is suspected. The building was supposed to be fire proof.

319th ENGINEERS COMING ACROSS

THIS ORGANIZATION MADE UP LARGELY OF CALIFORNIANS WHO WILL LEAVE FRANCE AUGUST 15

(Special Service to Glendale Evening News)

WASHINGTON, July 24.—General Pershing today cabled Senator Phelan of California that the 319th Engineers, composed largely of Californians, will leave France August 15.

EIGHT THOUSAND MILE FLIGHT

COLONEL HARTZ LEAVES WASHINGTON FOR AUGUSTA, MAINE, ON FIRST LAP OF JOURNEY

(Special Service to Glendale Evening News)

WASHINGTON, July 24.—Colonel Hartz today left Washington for Augusta, Maine, on the first leg of an air flight to total eight thousand miles around the borders of the United States.

KILLED BY BOY PLAYMATE

TEN-YEAR-OLD CHILD ADMITS SHOOTING CHUM ACCIDENTALLY WITH AUTOMATIC PISTOL

(Special Service to Glendale Evening News)

PORTLAND, Oregon, July 24.—George Miller, aged ten, today admitted to the police that he accidentally shot and killed Frank McCauley, aged seven, in the attic of the Miller house three days ago while showing him how to work an automatic pistol. The body was found last night when blood seeped through the apartment beneath the attic where Miller admitted he had hidden the body after McCauley died. He declared he was too frightened to tell.

EXPLOSION AND FIRE AT BAYONNE, N. J.

EIGHT TANK CARS OF GASOLINE AND NAPTHA BLOWN UP AND TWO WAREHOUSES BURNED

(Special Service to Glendale Evening News)

BAYONNE, N. J., July 24.—Fire followed an explosion this morning at the Texas Oil company's plant. It is burning fiercely and the entire fire department has been called out. Several of the injured have been taken to hospitals. The explosion shook buildings two miles away.

The latest figures obtainable showed that four persons had been seriously injured in the fire and that many were slightly hurt. Eight tank cars of gasoline and naptha exploded and two storage houses were burned.

SENATOR FALL EXPLAINS

PUBLISHES CORRESPONDENCE REFERRED TO BY MEXICAN GOVERNMENT AND SAYS NOT AUTHORIZED

(Special Service to Glendale Evening News)

WASHINGTON, July 24.—Senator Fall today published the correspondence which the Mexican government yesterday announced that it would publish, alleging that Governor Hunt of Arizona attempted to arrange for conferences between Villa and Senator Fall.

The letters published by Fall include two to Charles F. Hunt, El Paso. One letter is from Villa to C. F. Hunt, referred to as "ex-governor Charles F. Hunt," and it is believed that this reference caused the Mexican authorities to believe it was Governor George W. P. Hunt of Arizona. C. F. Hunt's letter to Villa promised to "bring to a conference one of the most eminent statesmen in the United States, and he later said it was Senator Fall he referred to

Senator Fall explained that the correspondence was entirely unauthorized and that he had given all of the information voluntarily to the department of State months ago. One letter had been intercepted by a State Department agent.

BOLSHEVIKI SUCCESSES IN RUSSIA

CLAIM TO HAVE CAPTURED ONEGA ON THE ARCHANGEL FRONT WITH INTENT TO DRIVE OUT BRITISH

(Special Service to Glendale Evening News)

LONDON, July 24.—A Bolshevik wireless received today claimed that the Bolsheviki had captured Onega, on the Archangel front, and that the opening was made for the purpose of driving the British from Archangel.

THE BROADWAY SIGN

MERCHANTS CONTRIBUTE TO DIRECT TRAFFIC THROUGH GLENDALE VIA BROADWAY

To determine who is providing the money to erect the big electric sign proposed for the easterly limits of the city on Broadway for which a delegation of citizens waited upon the city trustees last Thursday evening to secure a permit, W. E. Hewitt of the Glendale Laundry, who with F. H. Vesper and J. A. Newton constituted the promotion committee, was consulted. He has explained that it is a movement to direcct traffic through the business center of Glendale and to accustom the visiting public to the use of our splendidly improved East Broadway. All the business men between the easterly limits of Broadway and Brand boulevard and for a block on either side of Broadway are gladly contributing to this little boost for a main business thoroughfare which will be of benefit to all. The members of the committee were merely spokesmen for the rest.

BEACH PARTY

A Glendale motor party which went to Hermosa Beach last Sunday and spent the day at the cottage of Mr. and Mrs. John Robert White, and family, and on the sand, included Mr. and Mrs. Fell, their daughter and two house guests, Mr. and Mrs. R. L. McCourt, and family, and two guests from Los Angeles. The program included a lunch, a swim and a wienie roast in the evening.

ABANDONS OVERLAND TRIP

Mrs. Louise Purnell of Riverdale Drive has been cherishing the plan of christening her new six-cylinder Overland with a transcontinental trip to Laurel, Delaware, but has about abandoned the plan for a variety of reasons. She has just had the pleasure of a visit from her brother, George Kirsch, who lives in Sawtelle.

PICNIC AT GRIFFITH PARK

A decidedly pleasant picnic at Griffith Park was enjoyed by a group of congenial friends last Sunday, which included Mr. and Mrs. George Peterson and family, the Dunham, Curtis and Motsch families or fifteen in all. They went in time for breakfast and remained for the rest of the day, having a very pleasant outing.

DR. R. C. LANE COMING HOME

Mrs. Richmond Lane and her little girls, Ruth and Dicksie, are again at home at 118 West Doran street, after spending the winter in Banning during the absence of Dr. Lane who has been in service over there, but who hoped to leave France the 15th of this month.

THIRD FOOD LECTURE TONIGHT

Tonight at 8 o'clock Dr. Wood-Comstock lectures upon the subject, "Eating for Strength." Under this heading will be considered food elements, food digestion, a balanced ration and deficiency diseases.

This is a subject of vital importance to all. An apparently ample menu may be lacking in one or more of the food elements necessary for proper nutrition. What farmer would think of allowing his horse an exclusive diet of oats or barley even though the animal should protest that he "liked it." Neither would he expect endurance from an exclusive green grass diet. Man, however, often expects nature to produce strength and endurance from a haphazard dietary.

Dr. Wood-Comstock, as lecturer and writer on the subject of dietetics, will seek to impart helpful information. All are invited to attend.

Intermediate School Auditorium, Kenwood and Wilson avenue.

HAS DESIRABLE PROPERTY

E. G. Hurlbert, the new-comer to our city who has purchased the Bahrenberg property on West Park avenue, is greatly impressed by the hold which the Glendale Evening News has on the reading public. He inserted a small classified advertisement making known his desire to dispose of certain superfluous articles of furniture and one insertion was sufficient to bring buyers to his door who relieved of the impedimenta. He comes to Glendale from Hollywood but was earlier a resident of Arizona. He is taking a great interest in his new property which appears to be in demand as he was yesterday offered $100 a month rental for it by parties looking for a sanitarium site. He is painting the exterior and making other improvements.

FLOOD CONSERVATION

IMPERIAL VALLEY REPRESENTATIVES SEEK FEDERAL AID FOR RESERVOIR DAMS

James E. Peck, the dairyman and livestock breeder, son of C. E. Peck, of 120 South Louise street, who is now in the east, after attending a sale of fine cattle at Philadelphia and visiting his old home town, stopped at the University of Wisconsin, located at Madison, to take a short summer course in the handling of livestock.

Mr. Peck went east especially to go to Washington and urge legislation providing from flood control on the Colorado River. Professor Allison who was associated with him in engineering work in the Imperial Valley is still at the capital in the interest of the movement and writes that the outlook is favorable for a government appropriation to establish reservoir dams along the river at different points to conserve the flood waters in June and make a reserve supply sufficient to irrigate a million acres. Unless the floods can be controlled there is danger that the channel will be washed out as far as the Laguna dam, to say nothing of the wicked waste of water. There has been a shortage of water in the Imperial Valley for two years because there is not enough water in the Colorado River to supply the land already under irrigation, and 33 feet of high water for a month would afford a supply sufficient, it is estimated, to irrigate a million acres.

The plan of reservoir dams to conserve flood waters has already been applied with success to the Mississippi River, and the Imperial Valley representatives are merely asking for its application to the Colorado, which irrigates a district absolutely dependent upon it for fertility.

MRS. KELLER AWAITING NEWS

Mrs. Pearl Keller is expecting daily a telegram announcing that her fiance has arrived in New York from overseas. He had expected to be here before this, but was detained to participate in the inter-allied games at the Pershing Stadium in Paris and probably was sent to London to take part in the Victory celebration there. As soon as he reaches Los Angeles he and Mrs. Keller will be married.

Mrs. Charles Fisher of Burbank is giving a dinner party this evening in honor of Mrs. Keller at which the girls in her senior ballet class, of which Cecelia May Fisher is a member, will be guests. Covers will be laid for fourteen.

CAN FRUIT FOR THE NEEDY

The fact that nearly every housewife in Glendale is canning fruit has called forth the request from Mrs. John H. Braly that they remember the little maternity hospital in Los Angeles and put up a few extra jars or glasses of fruit for that needy institution to use next winter.

OUT DOOR FUNCTION

RECEPTION TO NEW MEMBERS ON THE BEAUTIFUL HIGH SCHOOL LAWN

The Presbyterian Church will hold its reception for new members on the grounds of the High School this evening from 8 to 10 o'clock. The L to R division of the membership are in charge with Mrs. F. S. Mulford as chairman. A most delightful time is anticipated and it is hoped that the congregation and friends of the church will turn out to welcome and get acquainted with the friends who have just joined.

SERGT. OWEN DIBBERN RETURNS

Mr. and Mrs. J. D. Dibbern of 314 West Lomita, have just received news of the arrival from overseas of their son, Sergeant Owen S. Dibbern, at San Francisco, but have been informed that he will be detained at the Letterman Hospital for five or six weeks to undergo a minor operation made necessary by complications which followed a severe attack of la grippe in France. He is now in Ward 3, Letterman General Hospital.

EHMKE MAKING GOOD

Howard Ehmke, who got his early training as pitcher for the Glendale Union High School team, is counted as Detroit's star twirler and is held back constantly to face the stronger teams. He is still in the early twenties so has several years as a star slab artist before him. He already ranks with Johnson, Alexander and Babe Ruth.

GLENDALE, CALIFORNIA, THURSDAY, JULY 24, 1919

GOVERNMENT MAY BE COMPELLED TO ACT

Even if half the reports of Mexico's outrages against American citizens are true, our supine government will be compelled by an aroused populace to act soon to end this many years reign of anarchy. The names of fifty Americans slain within the last three years are on file in the state department besides two insults to the flag, yet "watchful waiting" still continues.

DOES PROHIBITION BREED RIOTS?

We have all of us known personally or read many times or race riots and other riots being started and kept going by the drinking of "red likker" but it has remained for Representative Julius Kahn of California to charge the recent race riots in Washington, D. C., in which five people were killed and eleven injured, to the prohibition of all liquor drinking. This contention is a novel one and will not be concurred in by the vast majority of those who have risen in their might to destroy the curse that has so degraded our country during all the years of its existence and resulted in the death of millions of human beings. Of course, some people will resent being "deprived of their liberty," to debauch their manhood and womanhood, impoverish their families and lower the race standard by indulging in the use of intoxicating liquors, but we confidently predict that before many years pass, the strongest adherents of King Alcohol will look back and wonder that they ever could have championed such a leader.

ADVERTISING AGAINST EXCESS PROFIT TAXES

It is no secret that many American manufacturers have added liberally to their advertising appropriations as a means of cutting down excess profit taxes.—Wall Street Journal.

Our good Secretary of the Treasury, who undoubtedly spends many a sleepless night over the solution of the problem how to make Uncle Sam's treasury meet current and prospective expenses, will hardly enjoy reading the above statement, which we noticed in a recent market report of the Wall Street Journal. Coming as it does from a responsible financial paper, known to be in close touch with the affairs of corporations, its correctness can hardly be doubted. It cannot be said that a diversion of profits to the detriment of Uncle Sam's treasury is a patriotic act, but it is not illegal. Taxation is a thing which has never been popular, especially exorbitant taxes, such as the business world has to meet now. The country has stood the burden of heavy taxes during the stress and dangers of the war, but there are few who will blame business men for utilizing means to beat those taxes, if it can be done in a legal way. The war tax law expressly provides for the deduction of expenses for advertising, which in fact enables business to make the money needed for taxes.

That our tax laws have not met with favor is due to the fact that they are bad, for they tend to destroy the very thing from which taxes can be raised. Taxes on production tend to lessen production. Taxes which take the national capital held in private hands and necessary for keeping business going or expanding profit-producing business, are bad in principle and practice. They are irritating and destructive.

What the country needs are tax laws which are easily understood, and don't make business men who try to do their duty to the government prematurely gray when they study their mysteries. May be that the present Congress, which has not to work in haste as its predecessor did, upon whom the burden fell to raise millions within a short time, will in due time change the present federal taxes so that they meet with popular approval.

In the meantime big business especially will continue advertising on a large scale in order to reduce the heavy excess profit taxes it has to pay. This desire to reduce excess profit taxes may explain the enormous advertising which flows into magazines. Under normal conditions this heavy advertising in a number of magazines would hardly be done.—The Advertising Age.

MURDER AND SUICIDE BY DERANGED WOMAN

HOLLISTER, Cal., July 24.—Apparently becoming suddenly crazed, Mrs. J. D. Berwick, wife of a local lumberman, shot out the brains of her nine-year-old daughter, Jessie and then committed suicide, today.

REDS CONTINUE OFFENSIVE IN RUMANIA

ARE SAID TO BE UNDER LEADERSHIP OF BELA KUN WHO IS APPARENTLY STILL IN POWER

(Special Service to Glendale Evening News)

VIENNA, July 24.—Hungarian Reds are continuing their Rumanian offensive, and are advancing along the entire line of the east bank of the Tisza river. It is reported that Bela Kun is personally leading the Reds. If this is true it means that he has been restored to power or that the reports of his downfall were untrue.

The Reds have captured Szantes and Torok-Szent-Miklos and quantities of munitions. After defeating the Rumanians they crossed the river at numerous points. The Reds are planning to attack the Hungarian white army.

FRANCO-BRITISH-AMERICAN TREATY

LODGE INTRODUCES RESOLUTION ASKING PRESIDENT TO LAY IT BEFORE SENATE

(Special Service to Glendale Evening News)

WASHINGTON, July 24.—Senator Lodge today introduced a resolution asking the president to lay the proposed Franco-British-American treaty before the Senate. Objections raised by Senator Robinson prevented its immediate consideration.

Lodge pointed out that the treaty has been laid before the French Chamber of Deputies and has been printed in the American newspapers, and said that one article in the treaty provided for its submission to the Senate along with the peace treaty.

CERTIFICATE OF BUSINESS

Fictitious Firm Name

The undersigned does hereby certify that he is conducting a hardware business at 109 N. Brand Blvd., Glendale, California, under the fictitious firm name of Tompkins Hardware Co., and that said firm is composed of the following persons, whose names and addresses are as follows, to-wit:

Chas. O. Tompkins, 1552 N. Kingsley Drive, Hollywood, Cal.

Witness my hand this 7th day of July, 1919.

CHAS. O. TOMPKINS.

Personals

Mr. and Mrs. William Lane of 1229 South Glendale avenue, have returned from a trip to the Yosemite.

Miss Ruth Wright of 451 Ruth St. is spending some time in Porterville with her sister.

Mrs. B. J. Lyons of 417 Palm Drive has just returned from a week's outing at Catalina.

Mr. and Mrs. J. B. Magnon returned home Wednesday from a four days' outing at Catalina.

Mrs. Ella O. Francy, wife of David Francy, has returned from a visit of a week and a half at Venice and Ocean Park.

Miss Clara Sullivan, of Berkeley, will be a guest for a few days this week of her cousin, Mrs. L. D. Goode, of 404 West Harvard St.

James Scott of 1615 South Glendale avenue, is the owner of a brand new Ford Sedan and is very much occupied in his leisure hours learning to drive it.

W. F. Temple, of Meridian, Miss., is the guest of W. M. Wright, of 124 West Doran street. He is a rather prominent citizen in his part of the country.

Miss Courtney, who is employed in the Glendale office of the Southern California Gas Company, has returned from a two weeks' outing at Ocean Park.

Mrs. Rhodora Plannette and her daughter Margaret, of 307 North Kenwood St., left for New York Tuesday morning. It is a business trip and they will be gone only a few weeks.

Mr. and Mrs. R. L. McCourt of North Central avenue will entertain at dinner Friday night, Mrs. D. O. Anderson, her daughter, Miss Yara Anderson, and Ralph Stutsman of Pasadena, who are leaving soon for New York by auto.

Mrs. James E. Peck and daughters, Winnifred and Bellevernon, of Calexico, who have been visiting at the home of Mr. and Mrs. C. E. Peck, are now located at 204 West Colorado street for the rest of the summer. Mr. Peck is at Madison, Wis., for a few weeks.

Members of the Yeomen Lodge and their friends are looking forward to a jolly good time at the box social and dance to be given Friday evening at Yeomen Hall on San Fernando Road. It will be quite informal and everybody is invited. Coffee will be served when the boxes are opened without charge.

When last heard from Bert Woodard was in Paducah, Ky., and about to go to Princeton, Ky., to see Mrs. Judge Harrallson, sister of Mrs. Woodard. He had not decided whether he would go to Tennessee or not. Mrs. Woodard looks for his return Tuesday or Wednesday of next week.

Mr. and Mrs. Frank Hilliard, formerly residents of Glendale, entertained at their new home in Los Angeles Friday evening, Mr. and Mrs. Ray Goode, Misses Klein and Lyans and Messrs. Sam and Lewis Reid, all of Glendale. Mrs. Hilliard and two children are to leave shortly for an extended visit in the east with her father, Mr. Lamphere.

In talking over war experiences with Rev. E. H. Willisford, Dudley Newcomb has discovered that when his division, the 32nd, was engaged in the Argone offensive, the 82nd Division with which Dr. Willisford was connected was just to the west of them. While Corporal Newcomb is in robust health he did not escape injury. He was wounded four times and was in the hospital from the 12th of October until January, but they were not permanent injuries and he is now in fine physical condition.

Mr. and Mrs. Ray Goode of 331 Myrtle street were guests at a delightful dinner dance given by Mr. and Mrs. A. W. Thresher, of Los Angeles, last Saturday evening, at which covers were laid for twenty-two. They were also guests at a dinner given by Mr. and Mrs. Mingus of St. Louis at their home on West Forty-sixth street recently, at which fourteen were entertained. Following the dinner a pleasant evening of music and cards was enjoyed.

J. H. Braly, of North Brand Blvd., returns Friday with a group of workmen and with building supplies to his camp on Big Bear Lake, where he is building a log cabin which has a frontage near Pine Knot P. O., facing the lake of about 130 feet and which will be large enough to accommodate not only his own household but any of his children who wish to spend the summer there. He and his son, Arthur, own in the neighborhood of five acres on the lake. His son's cottage is completed and now accupied by his family. The big cabin will be equipped with a domestic water plant and with electric light and as soon as it is finished and furnished Mrs. Braly expects to visit it. Until the workmen are out of it, she prefers the comfort of her home on Brand boulevard.

MASONIC NOTICE

Unity Lodge, No. 368, F. and A. M., will confer a degree on Tuesday evening at 7:30 o'clock. All Masons cordially invited.

R. W. MASTERS, W. M.
A. W. TOWER.

Farris Brown of 217 W. Lomita Ave. telegraphed from San Francisco Wednesday that he would be at home next Monday.

Mr. and Mrs. Frank Seeley of Cleveland, Ohio, are guests today of Mr. and Mrs. Oliver Clark, of 346 North Louise street.

Mrs. E. R. Callender and daughter, Miss Louise Callender, of Kansas City, who have been house guests for several weeks of Dr. and Mrs. Colin Cable of Columbus avenue, left Wednesday for their Missouri home with the intention of stopping en route at Denver and Colorado Springs. They quitted Glendale reluctantly as they made many friends here and were much entertained. They also had the pleasure of doing considerable sight seeing.

That church architecture is tending more and more to strictly utilitarian lines so as to conserve every inch of working space, is the statement of A. G. Lindley, who is drawing plans for a Friends' Church at Bell. It will cost $15,000, is of frame and plaster construction with an auditorium 40x55, Sunday School room for departmental work 35x66, prayer room, choir room and pastor's study on the main floor. In the basement is a large social hall with stage and three Sunday School rooms. The indirect lighting system is used.

Having been instructed by the Glendale Health Officer that Glendale water will not be fit to drink or use in the preparation of food during the 5-day period beginning Friday when pipes and reservoirs are to be celaned, the bakers of the city have decided to shut down their plants during the last three days of the embargo as it will not be possible, they think, for them to store a sufficient amount of water to meet the requirements of their business during the whole five days. They will make a pleasure of necessity and most of them will take outings.

This is not the only evidence of co-operation among them.

POST AND CORPS PICNIC

The Woman's Relief Corps of N. P. Banks Post and the old comrades are looking forward to the annual picnic at which they will be guests of the corps next Friday at Echo Park. They will go early and return in the late afternoon. Everybody who goes will be sure of a good time.

THE LARGEST FIG TREE IN THE UNITED STATES

Forty years ago, I. N. Parlier came with his young family, from Illinois to Fresno county, California, where he founded the town of Parlier, now a thriving little city, which is still the home of his numerous descendants. Mr. Parlier died last year, but is survived by his widow, nine children, twenty grand-children and three great-grandchildren.

The young Parliers have grown up literally under their own vines and fig trees—for one must use the plural number when referring to many acres of grapevines and fig trees. But one fig tree, in particular, has sheltered them, as at various times it has sheltered all the residents of the town of Parlier, as well as thousands of visitors from every part of the world.

This famous tree, which is the largest fig tree in the United States (and so far as known, the largest in the world), is a Calimyrna fig and was planted as a cutting thirty-two years ago by I. N. Parlier, the pioneer. The present diameter of its trunk is four feet, three and one-half inches, and it is twenty-seven feet high. There are ten limbs, each the size of a large tree trunk; and the spread of its branches is eighty-two feet. Its form is beautifully symmetrical, its foliage fresh and luxuriant, and it has borne abundant fruit annually ever since it was planted. In order to accommodate the growth of the tree, Mr. Parlier moved and remodeled his residence three times.

The great fig tree is the favorite auditorium of the town. Garden parties and public meetings are often held under its shade. On the occasion of Mr. and Mrs. Parlier's golden wedding, five years ago, three hundred guests were seated at tables under the tree. More recently an entertainment given there for the benefit of the Red Cross, was attended by six hundred people.

This fig tree was the especial joy of Parlier's founder, who guarded and trained it most carefully; as it is now the pride of the town and a wonder to all who behold it.—Golden West.

FREE DRINKING WATER

While the city is cleansing its water system, bring on your bottles and your jugs and get what drinking water you want from the old Garst wells, at 603 West Broadway. Everybody welcome.

WALTER S. HALLIWELL.

CARD OF THANKS

We wish to thank our neighbors and friends for their kind assistance and sympathy shown during the illness and death, and for the beautiful flowers given at the funeral of our beloved husband and father.

MRS. MATILDA BURGER,
WALLACE BURGER.

274t1

Watch for the opening of the White Inn, where the Jewel City Cafe was formerly located. 274t1

Mr. and Mrs. John Baum of 339 North Louise street, entertained with a dinner party Wednesday evening, at which covers were laid for Messrs. and Mesdames Oliver O. Clark, H. V. Henry and Mrs. Brownfield, besides the host and hostess.

SCHOOL BOND VOTE

The vote for the school bond issue up to 1:30 o'clock stood: Intermediate Polling Place 111, Acacia avenue 39, Central avenue 28, or a total of 178.

CHURCH NIGHT AT CENTRAL CHRISTIAN

The hot weather is having its effect on the Church Night attendance at Central Christian. Last evening there were but few over 30 present, but there was fine fellowship, it is reported, and a good meal was served, consisting of roast beef with gravy, potatoes, sliced tomatoes, bread, butter, watermelon and iced tea. The prayer meeting from 7:30 to 8:30 was well attended. The subject, "The Abides of the Beloved Disciple," was one calculated to bring out thoughts of Christian ideals and the life to come.

CONSCIENTIOUS POLICEMAN

It is perhaps well to have an occasional demonstration that Glendale has police protection even at the cost of some inconvenience to citizens. Residents of an apartment house a few nights ago were awakened at 2 a. m. by a heavy tread suggestive of the wooden shoes of a Hun. Back and forth it went along the passageways. Nobody stirred. Presently a series of knocks upon the door panels broke in upon the snores of peaceful sleepers and continued until one less patient than the rest opened a door and demanded to know what the matter was. The officer explained that he had discovered a loose and worn window screen with a hole in it in the place of business below and he felt it should be investigated. He understood the proprietor lived somewhere in the building and he desired to warn him of the dangerous conditions. It was explained that the screen was probably loose because the building had been receiving a coat of paint, but by this time the earnestly sought business proprietor had been awakened and allayed the fears of the officer by stating that the hole in the screen (too small to admit of a burglar), had been purposely left for the convenience of the professional cat he employs to protect his premises from rats and that, anyway, there would be little to recompense a burglar who effected an entrance because his bakery stock is all sold out slick and clean every day and no money is left there to reward midnight adventurers.

THIS REPUBLIC BORN WITH EQUAL SUFFRAGE

(By United Press)

PRAGUE, CZECHO-SLOVAKIA. (By Mail).—The new Republic of Czecho-Slovakia may have many trials, but its "White House" will never be picketed by "votes for women" campers, or its streets blocked by suffragette parades. For when this newest of the world's democracies was born, women came into the same political privileges and powers as the men.

The municipal elections will see women not only at the polling places, but in numerous cases standing as candidates for office. The new government has announced that "while it is true that woman's place is first and foremost in her home, it is also true that there are many political, economic and social problems affecting all classes which will be all the better solved by the presence of women in the council chambers."

Members of the American Red Cross unit, which is distributing food to thousands of under-nourished children in the new republic, find women taking an unusually prominent part in all governmental activities. At all the local town-council meetings, there have always been a large proportion of women representatives.

ANGEL CITY NOW BONE DRY

Los Angeles is now bone dry beyond all dispute. Wednesday evening the Police Commission revoked all licenses for the sale of drinks containing more than one-half of one per cent. of alcohol. Notice was served on the 200 holders of such permits to sell no more drinks containing more than that per cent. of alcohol.

California's lemon crop last year totaled 3,792,030 boxes.

Business men's lunch at noon and table d'hote dinner at 6 will be features of the new "White Inn," to open soon at 637 E. Broadway. 274t1

Wonderful Opportunities in the Automobile Field

The history of American industries shows nothing which can compare with the rapid growth of automobile manufacturing. In the past few years a wonderful industry has been developed. In the United States alone there are over 500 factories at work on automobile construction, representing a capital of about $2,000,000,000. Besides there are about 32,000 dealers in the United States employing several hundreds of thousands of men and women.

The development of automobile delivery trucks and light wagons is proceeding rapidly and every year sees the introduction of new makes in large numbers.

The demand from factories, garages, and salesmen for trained men is a direct result of this marvelous growth. The supply of such men is small—their pay correspondingly high. This is the field of opportunity you can enter through the sure, easy Home-Study Courses of the

International Correspondence Schools
OF SCRANTON, PA.

Hundreds of thousands have proved it. The designer of the Packard "Twin Six" and hundreds of other engineers have climbed to success through I.C.S. help. For 28 years young men in offices, stores, shops, factories, mines, railroads—in every line of technical and commercial work—have been winning promotion and increased salaries through the I.C.S. Over 130,000 men are getting ready right now in the I.C.S. way for bigger jobs ahead. No matter where you live the I.C.S. will come to you. No matter what your handicap or how limited your means, the I.C.S. have a plan to meet your circumstances. No matter how small your previous education, the simply written, wonderfully illustrated I.C.S. textbooks make it easy to learn.

Co-Designer Liberty Motor

I take great pleasure in recommending your Courses to any young man who is ambitious and anxious to get the necessary education to enable him to make the most of his opportunities.

JESSE G. VINCENT,
Vice-President of Engineering, Packard Motor Car Company, Detroit, Mich.

Manager of the Cole Motor Car Company

I enrolled for an I.C.S. Course several years ago, and I have found the instruction contained therein to be of great value. I heartily recommend the I.C.S. to any young man who desires to make a success of life.

J. F. RICHMAN,
Factory Production Manager, Cole Motor Car Company, Indianapolis, Ind.

Complete Automobile Course

If you want to become an expert automobile driver, chauffeur, or mechanician you should study the I.C.S. Course in Automobiles, because it will acquaint you with the principles of operation, the details of construction and the types of apparatus used, making you an expert in your work. The Course is full of hints and suggestions covering all troubles and needs that may arise. As an automobile owner you cannot afford to be without the knowledge contained in this Course, whether you drive your car or employ a chauffeur. Ignorance is not only expensive to the owner, but it is dangerous to the occupants of a car.

SUBJECTS TAUGHT

Arithmetic (Optional)
Gasoline Automobiles
Bodies and Accessories
Automobile Running Gear
Gasoline Automobile Engines
Principles of Operation
Typical Automobile Engines
Details of Construction
Automobile Engine Auxiliaries
Cooling, Muffling, and Governing
Automobile Carbureters
Fuels and Fuel Tanks
Principles of Carburation

Carbureter and Ignition Troubles
Overhauling and Repairs
Automobile Equipment
Electric Starting and Lighting
Examples of Electric Systems

Automobile Electric Equipment Course

Through this I.C.S. Course of Home Study any person familiar with its contents will be able to install, test, adjust, and repair intelligently and successfully, as far as it is possible to do so with ordinary garage equipment, all kinds and makes of starting motors, generators, and ignition devices, including magnetos and all modern timer-distributor ignition systems.

SUBJECTS TAUGHT

Electric Ignition
Electricity and Magnetism
Electric Circuits
Magnets and Magnetism
Primary Batteries
Secondary or Storage Batteries
Direct-Current Generators
Details of Construction
Induction Coils
Typical Battery and Generator Systems
Magneto Electric Generators
Details of Magneto Construction
Ignition Apparatus
Current Distributing Devices
Dynamo and Storage Battery Systems
Magneto Ignition Systems
Single Magneto Ignition Systems
Dual and Double Magneto Ingition Systems
Miscellaneous Ignition Systems
Automobile Operation
Electric Starting and Lighting
Examples of Electric Systems
Troubles and Remedies
Overhauling and Repairs

When everything has been made easy for you—when one hour a day spent with the I.C.S. in the quiet of your own home will bring you a bigger income, more comforts, more pleasures, all that success means—can you afford to let another hour of spare time go to waste? Make your start now. Just fill in your name and address in the lower right-hand corner of this advertisement, and send it to us. We will be glad to explain our plan to you without delay and without any expense or obligation on your part.

Ten Billion Dollars

is the sum expended by the United States Government for war supplies of all kinds in last two years. This is more than four times the amount of all the gold and silver money in the world.

This apparently impossible achievement was made possible by our marvelous banking system with its checks, drafts and bills of exchange.

The First National Bank

of Glendale is a part of this wonderful system, and every cog in its well-oiled machinery is working constantly in the interests of its depositors and the community.

Glendale's Prosperity

depends upon our working together.

WE WANT YOUR DEPOSITS AND WE WANT TO HELP YOU IN YOUR BUSINESS.

OUR INTERESTS ARE YOURS.

LA CANADA

An all-day meeting of the Ladies' Aid Society and of the Woman's Missionary Society will be held at the Congregational Church next week Wednesday A basket lunch will be served at noon.

Rev. Selwyn Evans supplied the pulpit of the Plymouth Congregational Church of Los Angeles last Sunday and will occupy it again next Sunday. Rev. Robinson of La Crescenta took his place at La Canada.

The Malcolm McNaghten family have gone to Hermosa Beach for the summer.

Mr. and Mrs. Phillips of Michigan avenue have gone to Long Beach to spend the summer.

TUJUNGA

Miss Pemberton and Francis Day have gone to Saticoy for the balance of the summer. They are not sure if they will return here or go elsewhere for the winter.

Mr. Richardson of El Centro St. is spending a week at Redondo Beach.

A number of the ladies here are working on apricots at the Sunland Cannery and will begin next week on peaches. A car is sent up every morning and brings them back at night.

Miss Beale and a friend, nurses, on San Ysidro, have just finished a fine sleeping tent on their home place and already have two convalescents at their very pleasant home.

News was received here of the marriage of Frank Green and Louise McClemath, of Glendale, July 12th. Both parties are well and favorably known here, having been residents for about four years, their parents being pioneers of this section. After a few days at the beach they proceeded to their new home at Sacramento. Frank is in the mail service and will be stationed at one of the terminals at Sacramento. All their old friends wish them joy and happiness.

Dean & Company sold the quarter acre on Monte Vista boulevard belonging to John Steen of Long Beach to Mr. Schonfeld of Los Angeles, who already owns the quarter acre adjoining on the north. Mr. Schonfeld who was here over Sunday was accompanied by his son who was with Gen. Pershing in France and has just returned home.

Mr. and Mrs. Stewart and daughter Nellie were here from Palm Springs the last of the week greeting all old friends and neighbors. Mr. Stewart has regained his health and is looking fine.

The household goods belonging to Miss Fritch, who is building a house on Monte Vista boulevard, arrived on Tuesday. The lady and a friend have been waiting in Los Angeles for the arrival of their household goods from Santa Barbara, and are now ready to take possession of their new home. We welcome them to our midst.

Just now arguments for and against are running high in the Valley, and if you want to keep in with your neighbors and friends it is wise to let them talk while you listen. Thereby you will not lose your friend and yet have your own way.

Harrison Hall, of Huntington Park, was a caller Saturday, and reports his little son as improving slowly from his illness.

Mr. and Mrs. Foster of Los Angeles have again returned to Tujunga and are occupying the Johnson house on Los Angeles street.

Mrs. Wallace Morgan of Bakersfield, who has been visiting at the home of Mr. Wieman, left on Wednesday for Los Angeles for a short stay.

The water, save for domestic use, has been shut off for a few days, and it is hoped that all users of water will kindly refrain from using irrigating water for a few days in order that those on the upper part of the tract may have domestic water to use. As the shortage of water is universal all over the state, we have no reason for kicking. Better have a little than none at all.

The meeting held at Sunland on Tuesday evening in regard to annexation was largely attended. Much argument, but nothing really done. There are many on the south side of the Monte Vista Valley who have their own water and do not wish to be drawn into the city. These are protesting against the annexation, and notwithstanding many are in favor of it, there are more against it, who are saying nothing but will do all they can to keep out.

LONDON.—New Zealand will place a 100 years ban on German emigration acording to Dominion Premier Massey, speaking at a luncheon here.

Advertise it, or advertise for it in the Evening News.
